**PROGRESS REPORT**  
**Science Museum**  
 How do we sum up the *Evening Standard's* Progress 1000 party, sponsored by Citi and Berkeley Group, and hosted at the Science Museum? We tried crunching the numbers: Joanna Lumley + Prince Charles + a sneak peek at Zaha Hadid's mathematics gallery + champagne... then our heads started to swim. Luckily we had Mercury Prize-winner Benjamin Clementine's dulcet tones to soothe us, and Sadiq Khan on hand for selfies. Surely a formula for success?

**FOOD & DRINK** Laurent Perrier champagne, Voss water; mac'n'cheese bowls and mini-doughnut burgers by Bubble Food catering.
